Dear Healthcare Provider:

To enter and to complete WesternU's health sciences program, students must be able to meet the emotional and physical requirements of the college, university, academic programs, and the agencies in which students are placed for clinical experiences. If accommodations are required for a student to meet these requirements, the student and faculty are to work with *Center for Disability and Health Policy (CDHP)* to determine what accommodations would be reasonable in a clinical setting.

Emotional Requirements: The academic load and the necessity of performing in real patient situations while being observed
