

Preceptor Guidelines

CVM 7568 Selective Small Ruminant Practice Rotation

- The Preceptor must be a licensed veterinarian with one or more of the following: certification from the American College of Veterinary Internal Medicine (ACVIM) (Large/Food Animal), certification from the American College of Veterinary Surgeons (ACVS) (Large/Food Animal), certification from the American Board of Veterinary Practitioners

Clinical Site Guidelines

CVM 7568 Selective Small Ruminant Practice Rotation

- The site must be a public or private practice, staffed by at least one licensed veterinarian who meets the preceptor guidelines.
- There must be the presence of or access to appropriate diagnostic service components, physical facilities, medical records, operational policies and procedures, and animal housing facilities consistent with the mission of the site. If the practice is strictly ambulatory/mobile, there will be an exception made to requirements for animal housing.
